Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

### **An Island Of English Teaching**

In *An Island of English*, she brings together her extensive research in New York's Chinatown, where she worked as a literacy consultant at the Dr. Sun Yat Sen Middle School, her personal story as an immigrant, and the stories of her son as an immigrant student. She extends her findings to other immigrant populations and applies her keen research talents to devise practical recommendations for educators and policymakers.
