Background Checks - Character, Competence, and Suitability ...

To succeed as a leader you need to succeed at character, commitment and competence. Character - Character is who you are when no one is looking. It's your level of honesty and integrity, and the way you deal with pride and humility. Character admits personal failure, isn't fake, and has genuine concern for others.

3 C's of Successful Leadership - Ron Edmondson

"Our NCO Corps must take ownership of this problem by enforcing the Army values in their units," explained Campbell, who also emphasized the importance of reinforcing the "Three Cs" - character, commitment and competence. Another challenge that NCOs must tackle is overcoming the stigma that surrounds seeking treatment for TBI/PTSD.

Command (which General Dempsey once commanded). Dr. John Townsend noted "...these two elements rest on each other. You must have both..an individual who has competence and a character problem can ruin the culture of an organization...".

Competence vs. Character - The Army Dilemma

We are a product of our own experiences, education, and self-development. A long time ago, I was inculcated with leadership principles called the "4 C's" -- competency, commitment, courage, and candor --which I still argue are the right basic leader values from initial leadership roles to senior positions of authority.
