Discourse in Late Modernity sets out to show that critical discourse analysis is strongly positioned to address empirical research and theory-building across the social sciences, particularly research and theory on the semiotic/linguistic aspects of the social world. It situates critical discourse analysis as a form of critical social research in relation to diverse theories from the ...

DISCOURSE IN LATE MODERNITY PDF - Amazon S3

Discourse in Late Modernity sets out to show that critical discourse analysis is strongly positioned to address empirical research and theory-building across the social sciences, particularly research and theory on the semiotic/linguistic aspects of the social world. It situates critical discourse analysis as a form of critical social research in relation to diverse theories from the ...

Discourse in Late Modernity: Rethinking Critical Discourse ...

As the title's reference to late modernity indicates, the kind of social science that CDA makes common cause with is the theorised and revisionist social science articulated by Bourdieu, Habermas, Giddens, and similar. Thus following Bourdieu they argue for a transcending or blending of both interpretivist and structuralist social science, in 'constructivist structuralism': "a way of
