Mathematics (1380) Linear | Pearson qualifications - Edexcel

At GCSE Ofqual will also allow, but not require, exam boards to offer a single re-sit opportunity in the year following the last scheduled sitting in any other legacy GCSE subject. There will be restrictions on who can take both the GCSE and AS and A level resits. What does this mean for Pearson Edexcel qualifications?

Pearson would like to keep you updated with information on our range of products and services.

Mathematics (1380) Linear | Pearson qualifications - Edexcel

We are aware that some A level subjects still have resit possibilities in 2019 (Maths, Chinese, Italian, Russian, Music Technology), so we'll not be removing these until after the 2019 series. We are letting you know so you have the opportunity to download any documents you might want access for these legacy qualifications before the 30 November , when we will start archiving these web pages.

Mathematics (1380) Linear | Pearson qualifications - Edexcel

England. In England, all current GCSEs must be delivered in a linear way and all assessments are to be taken at the end of the course. The November window is restricted to Maths and English resits only, and if candidates wish to improve their grade they will need to resit the whole qualification, not an individual unit.
