The Bible rates health right near the top of the list in importance. A person's mind, spiritual nature, and body are all interrelated and interdependent. What affects one affects the others. If the body is misused, the mind and the spiritual nature cannot become what God planned they should be—and you won't be able to live an abundant life.

## **Ripoff Report > Jonathon Otto Film Maker Director Review ...**

The Bible is not a textbook about health or nutrition. Yet, in Scripture, God provides fundamental principles to guide our personal choices in ways that promote health and prevent disease. In ancient Israel it was the job of the priests and Levites—not physicians, health gurus or legislators—to provide basic health instruction and set the direction for national health policy.
