Vauxhall Zafira A 2.0 DTI - Warning light comes on while driving - what is it?. I picked up this car yesterday and three times today (on a 300 mile round trip) a light has come up on the dash while accelerating under load. It then goes to limp home mode. The symbol is a car outline with a vertical spanner in the middle of it. If I turn off the car for a few seconds and restart it goes off and ...

In 1988 Vauxhall's twin-camshaft version of the engine, the C20XE known as the "red top" (due to the red spark plug cover), was fitted to the GTE and instantly created a stir with the motoring press because of its performance. When this engine was originally released in Europe and the UK it developed 156 bhp and 150 ft lbs of torque in standard form.
